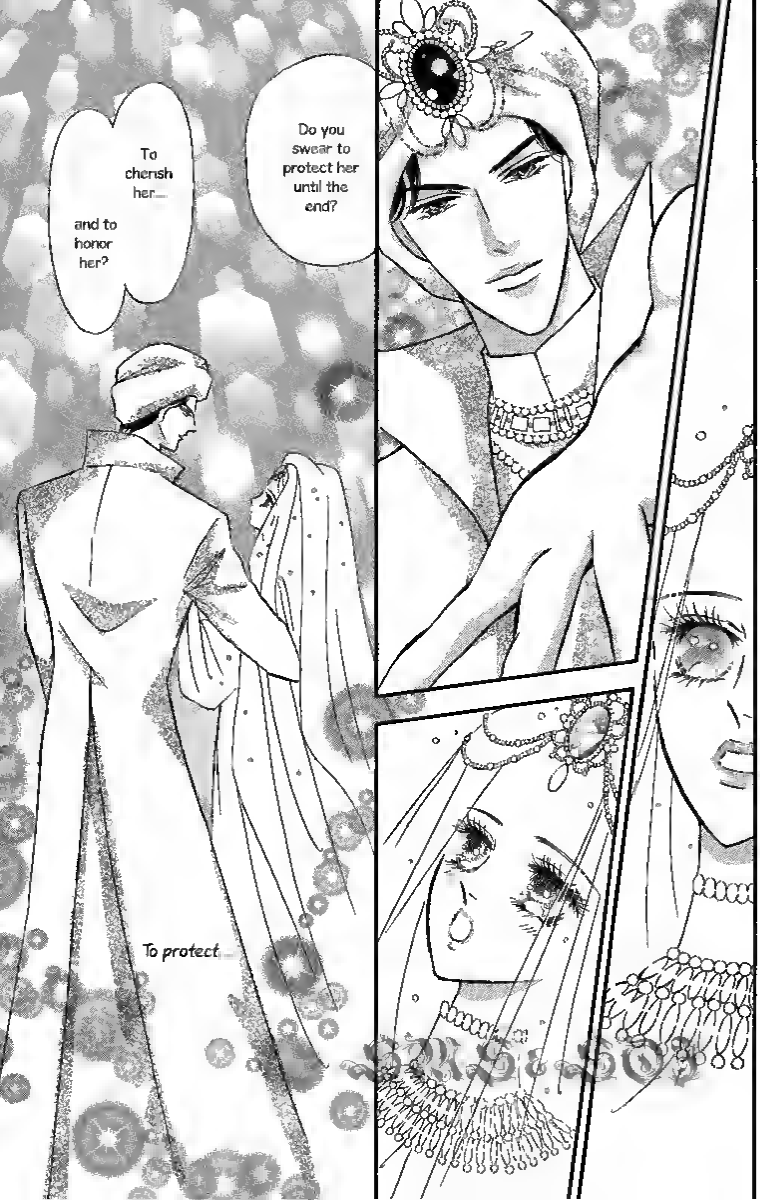
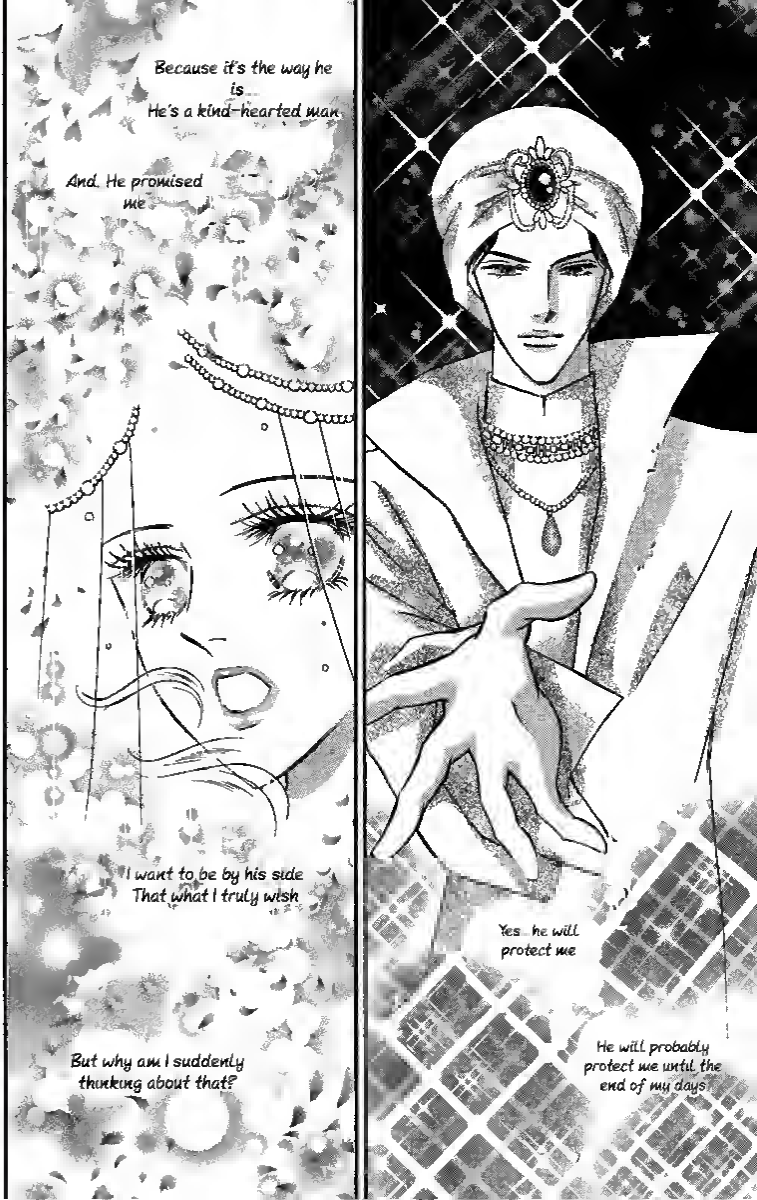
I don't like him, so can I say my vow in front of gods?!
Why am I confuse when I'll be married soon?
Plus, I said that I love Jamshid but...
love...
I...I loved him...?!
But has my feelings for Jamshid change for Najib...?!
I will marry him next week
A lot of important people will be here in the president's palace
But is it really a good thing?!

I will marry Najib to protect Sam. That's all
I can't compare them for the moment!
It's not love
Why didn't I think about it earlier?
It means that this man will become my husband!!
Is it really that?! Once I am married...we' ll have to live together
No I can't! I can't!

The place of Barakat, is really shining brightly
On the day of our wedding ceremony A lot of people came to greet us
The royal family of Bakarat and also Najib's cousins



Do you swear to protect her until the end?
To cherish her...
and to honor her?
To protect...



Because it's the way he is...
He's a kind-hearted man.
And. He promised me...
I want to be by his side
That what I truly wish
But why am I suddenly thinking about that?
Yes... he will protect me
He will probably protect me until the end of my days.

At night
When our wedding ceremony ends
Sam will be with his nanny
So it will just be the two of us...
I will take another suite
Do you agree with that?
y..
yes..
It's perfectly fine.

Does he regret bringing me here?
Does he regret marrying me?
NAJIB!!
Please love me!
No...if you don't love me then
At least don't have regrets!
I don't want to!
Don't go...stay with me!

I was still a kid when I met Jamshid. I was charmed by his words...
I couldn't stop myself from falling in love with Jamshid
I wonder how much I loved him?
I know that.
Rosalind
Do you understand the situation?
I'm not Jamshid.
I don't know anything about that anymore
but now the one I love is him
yes, I want to cherish him
I don't know is I have that right
but I love him...

Is it fair?
Or is it not
fair ?
Najib,
wait...
no!
We just
started it...
MAS & SOL

I can't wait anymore!

It's beautiful!
If it's a girl she will like it!
No it would be better if it's will be a boy.
Rosalind
I'll give it to you.
Rosalind
It's a present for our child.
Why?
Najiba

Just watching the moon
People say that we can't see the truth because of the moon.
What are you doing?
The truth?
Najib
that Jamshid
I just remembered,
Am I embarrassed?
Did you address that kindness to me?
Or were you thinking about Jamshid?

NAJIB?!
SO YOU WERE THINKING ABOUT JAMSHID?!
WHAT THE ...?!
BIS AIM IS THE PALACE OF BARARAT. THEY'RE PROBABLY FROM GASHIB!
A BOAT IS ATTACKING US!

NAJIB!
RUN AWAY ROSALIND!

NAJIB!!
NAJIB?
GO, HURRY UP!
NAHID! TAKE MY HAND!
DON'T STAY HERE! IT'S DANGEROUS!
NO WAY!!!
ROSALIND, LEAVE ME!

ROSALIND! RUN AWAY!
RUN AWAY, HURRY UP!!
No!
I won't let you go!
No! No!
Najib!!
I don't want to let you die!

But it's the Tateishi from Cornwall!!
Where I am...?
Jamshid!!
What's wrong, Rosalind?
Why am I suddenly afraid?
But who is behind...?
Jamshid!!
You love him, right?
You should go!
If you go on the other way, you'll go back the side of the man you love.
Could it be...

Be happy Rosalind.
Farewell, Rosalind.

ROSALIND!
Najib
BRAS & SOI
! ..I was so afraid that something would happen to you
yes I remember
Are you alright?
Yes, thanks to you.
A huge bomb exploded.
I'm so glad you're fine!
Yes
Of course, they only attacked the balcony
and what about Sam?
Is Sam alright?!

We are questionning the equipage..
Do you want to come?
There's no doubt that boat came from Gashib!
THE ARMY OF BARAKAT CAUGHT THEM!
NAJIB!
No thanks, you can tell me details later.
Oh, sorry
Sorry for the bother..
No, I will hold your hand for eternity
You saved me so I will never let you go.
I will protect you no matter what.
Najib...I'm al-right
You can let go of my hand now.
You can go.

Yes, Rosalind
I love you
I will cherish you
and I will be kind to you.
Can I believe it...?
You will never hide anything from me? You will tell me everything?
Can I believe that you love me enough for that?
Really?
Yes, I won't get mad even if you talk about Jamshid.

Rosalind, whatever happened in the past
I understand that you have a lot of memories with Jamshid.
But from now on I will raise his son as if he was mine and I will love both of you like he did
I like that perspective
He was al-ways...
so kind to me.
but...
you know, the one I love now is you.
Good Idea! Let's give a brother or a sister to Sam!
I don't want to live in a dream any-more, I want to live in the present!
and I want to raise your child!
About Sam...
GRIS & SOJ

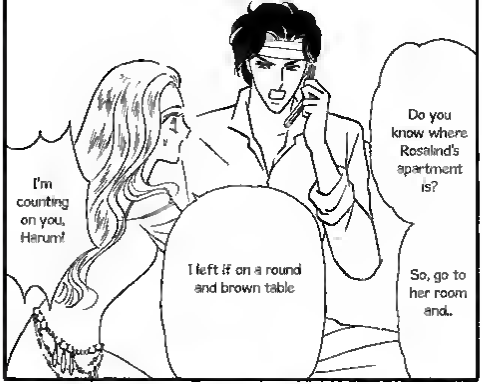
But he's not my child either
I wasn't lying when I said that Sam wasn't Jamshid's child.
What do you mean?
I promised to be kind with Sam.
Rosalind, you don't have to lie about it anymore.
WHO...
WHO IS THE FATHER?
Sam is the child of your little sister, Ramiss
I WILL KILL HIM!
RAMISS IS ALREADY MARRIED!
No! don't do that!
You will hurt Ramiss more than anything!

I saw her at our wedding ceremony
and she told me I could tell you about it.
I will take the responsibility
WHY? WHY ARE TELLING ME NOW?
Don't be mad!
Ramiss was afraid of your reaction.
IT'S NORMAL IF I GET ANGRY! WHEN I THINK ABOUT THAT IDIOT !!
NAJIB! DIDN'T YOU JUST PROMISE ME TO BE KINDER?
Argh! It's just hard to change someone's character...
It's okay! You can do it!
Yes, you're the same. The same eyes...
Then, Sam is my nephew... that's why we look alike.

KISS & SAY
And then little by little our love will grow and become stronger

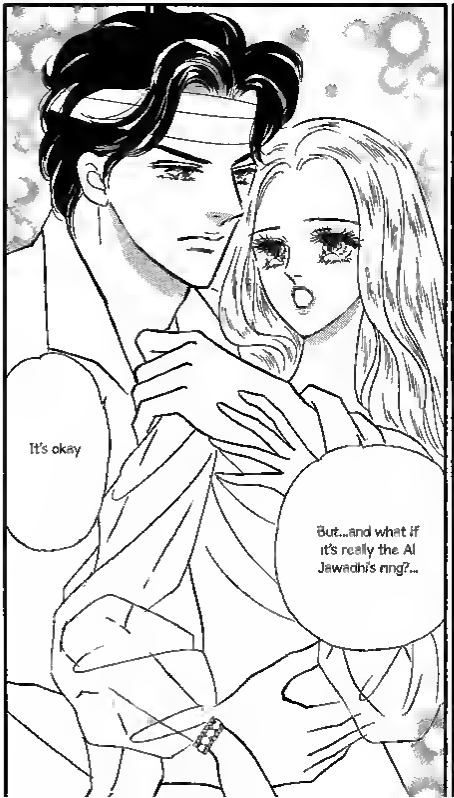
What's wrong?
The ring!
Oh no! I almost forgot!
I remember something about it!
You were right! Jamshid gave me the ring!
But I just thought it was an hair clip!
The ring of Al Jawadhi's
but, it should be the right thing...
It wasn't with a ring shape

What's wrong?
The ring!
Oh no! I almost forgot!
I remember something about it!
You were right! Jamshid gave me the ring!
But I just thought it was an hair clip!
It wasn't in a shape of a ring
but, it should be the right thing
The ring of Al Jawadhi's

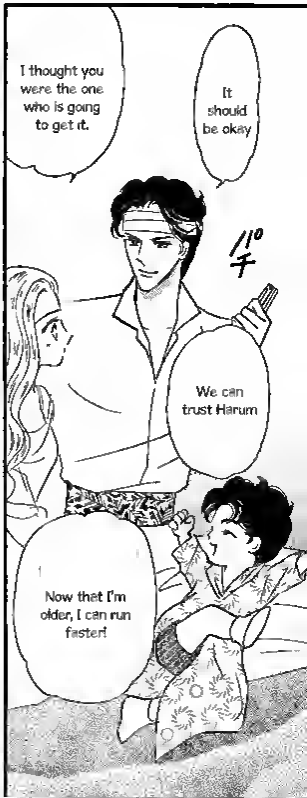


I'm counting on you, Harum!
I left it on a round and brown table
Do you know where Rosalind's apartment is?
So, go to her room and..

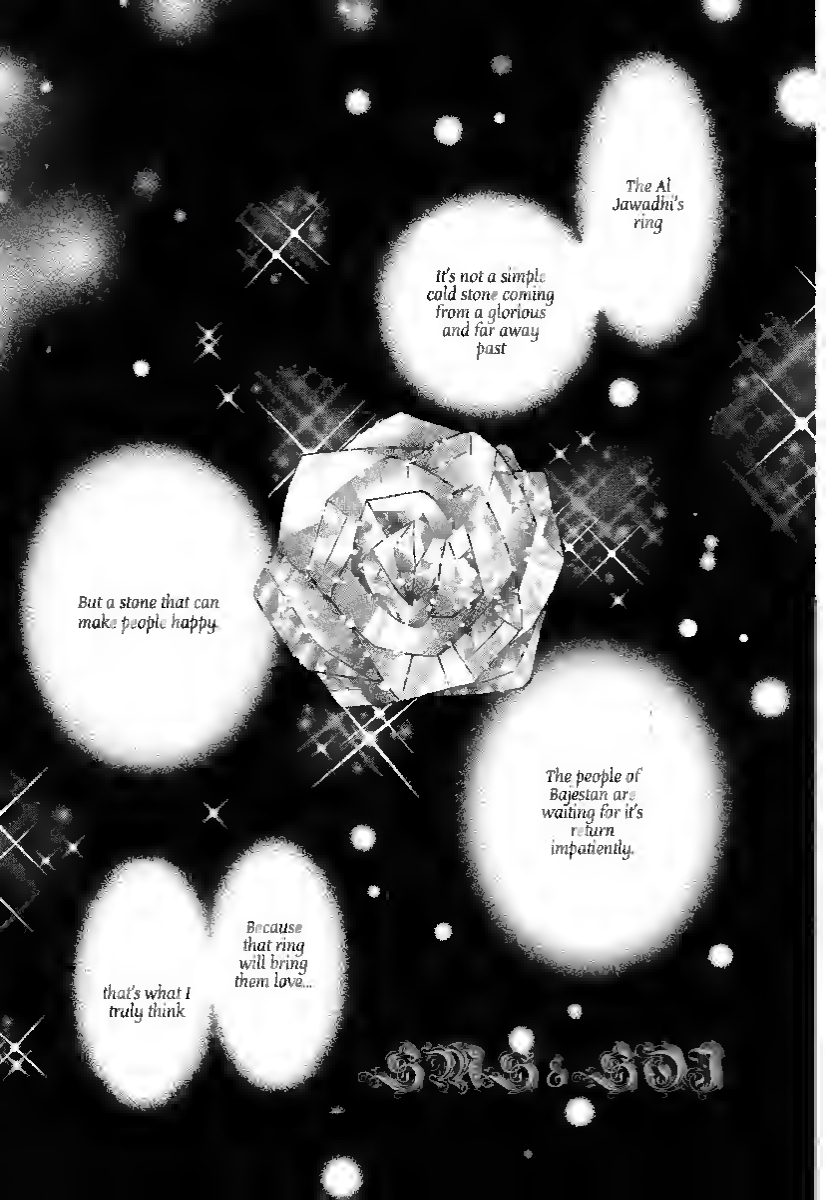
Hello, Harum?
Take a plane right now and go to England!



It's okay
But...and what if it's really the Al Jawadhi's ring?...



I thought you were the one who is going to get it.
It should be okay
We can trust Harum
Now that I'm older, I can run faster!



The Al Jawadhi's ring
It's not a simple cold stone coming from a glorious and far away past
But a stone that can make people happy
The people of Bajestan are waiting for it's return impatiently.
Because that ring will bring them love...
that's what I truly think
